NOTES.

The first general order under which lump sum remuneration of Rs.120 per annum was sanctioned by Government for Begars for doing work as Conservancy sweepers is contained in G.O.No. 7205-6-L.F.341-96 dated 22nd December 1899- In accordance with this order the employment of Begars on Rs.10/- per mensem was sanctioned for Rampur Municipality in G.O.No.6909-13 L.F. 341-96 dated 17th November 1900, and this provision is being repeated in the budgets of succeeding years. From these orders it is clear that only lump sum provision was made for distribution among the persons who actual ly did the duties of sweepers, and that Government have not sanctioned any particular numbers of sweepers on any definite rate of pay- Even in the Budget for 1907-08 lump sum provision of Rs.10 per mensem ~~is~~ was made as remuneration to Begars. So far as this office is aware of there is no Government Order sanctioning 5 sweepers on Rs.2/- each for Rampur Union on the pensionable or non-pensionable establishment. There is therefore no audit objection to the distribution of remuneration of Rs.10/- among the actual workers at Rs.2-8-0 for 4 instead, at the discretion of the local authorities

S I R,

I have the honor to state that the number of sweepers sanctioned for the Rampur Union in the Molakalmuru Taluk is 5 on a salary of Rs 2 each per mensem. It is reported that since April 1908 only 4 sweepers are being entertained on an enhanced salary of Rs 2-8-0 per month. The authority under which this higher rate of salary continues to be disbursed is not traceable either in the Taluk or the President's office. It may be assumed in this case that owing to the difficulty of securing the services of sweepers on Rs 2, the Taluk authorities on their own responsibility have dispensed with the services of one of the sweepers and apportioned his salary to others in order to secure the services of competent persons. Necessary instructions will be issued to avoid such irregularities in future and to invariably submit to this office proposals involving alterations in sanctioned scale for obtaining needful sanction of Government in the matter. Arrangements will also be made in the President's office to carefully scrutinize the establishment pay bills to be submitted by Amildars for sanction.

2. The unauthorized disbursement of Rs 2-8-0 to each of the sweepers having been brought to the notice of the District Board during their meeting held on the 17th instant. the Board have as a special case conveyed their approval to the payment hitherto made It was further represented to the Board that the sweepers now in
